EXPLANATION

See Aberdeen below. The key is Q-9. Open the map and draw an imaginary line from the letter Q and the number 9 on the margin of the map; the intersection of these lines will be the approximate location of Aberdeen.

MONTANA, still the picturebook West, is where big sky, shining mountains and wide open spaces are not bromides but understatements. Here, where the Rockies meet the great grass plains, the weather for the eastern part of the Nation is brewed. An early-rising traveler may still see cowboys against the pre-dawn sky or find himself surrounded by lowing herds on a major highway.

Not surprisingly, Monta a favorite vacation state City and Butte offer glimp state's glittering mining e towns kick up their h Indian fairs and rodeos. F wilderness areas are plen with their attendant fish The fine alpine scenery National Park and Wes stone complete Montana's a special and spacious refu

EXPLANATION
See Absarokee below. The key is K-13. Open the map and draw an imaginary line from the letter K and the number 13 on the margin of the map; the intersection of these lines will be the approximate location of Absarokee.
*Indicates features which appear on Glacier National Park insert map on reverse side.
